## Terms of Reference

### Data Collectors

---

#### Background

To ensure high quality of services and equitable service delivery, Marie Stopes International (MSI) Cambodia conducts client exit interviews (CEIs) on an annual basis. Findings from the study are used to inform programmatic decision making, and to enable global comparison with other Marie Stopes country programmes.

Marie Stopes Ladies network includes Phnom Penh, Kandal, Kampong Thom, Svay Rieng, Battambang, Kampong Cham, Tboung Khmum, Preah Sihanouk, Ratanakiri and Banteay Meanchey province.

To assess the characteristics and level of satisfaction of clients accessing services through Marie Stopes Centres and Marie Stopes Ladies (MS Ladies) facility.
